EXCELLENT TEACHING

Our teachers are the best thing about Stafford House. They have a wealth of experience and regularly participate in training to improve their skills. They take student feedback weekly so they can adapt the course to suit the needs of the class and individuals.

PREMIUM FACILITIES

All ten of our schools have been designed to the highest specifications. Students learn in fresh and bright classrooms, with up-to-date learning technology and modern facilities, including IT suites, high-speed WiFi, comfortable student lounges.

FLEXIBLE LEARNING

Choosing a course can be difficult. Students may not know which course or location they would prefer. Many of our students want to move from one city to another, or switch course halfway through their stay. With us, they can keep their options open.

Ten fantastic cities host our schools in America, Canada and the United Kingdom. Each location offers a unique way to improve your English skills.

OUR MISSION IS TO EDUCATE, INSPIRE, AND HELP OUR STUDENTS ENJOY OUR CITIES, EMPOWERING THEM WITH CONFIDENCE, TO REALISE THEIR PERSONAL POTENTIAL.

ACCOMMODATION

YOUR HOME AWAY FROM HOME

Where you live is key to your happiness and academic success.

Whether you prefer the independence of a student residence or the familiarity of homestay, our accommodation options are chosen to offer you the flexibility of choice and quality you deserve.

Our accommodation options include: Homestay, Residences and Student Houses.

SOCIAL PROGRAMME

Stafford House social programme is designed directly in response to students' wishes and requests. Wherever the students want to go or whatever they want to do, we do our best to make it happen.

All of our activity leaders are chosen because they live locally and are passionate about showing off their city and all it has to offer. This allows students to gain a deeper insight and understanding of the city they live in.
