

CANTERBURY RESIDENCES

The Canterbury summer school is not based on just one campus. There are different residences which have their own character and specifications. Generally there are two types: Worthgate Schools residences and University residences. All of our residences offer en-suite or private bathroom facilities. All sites have wifi and laundry facilities and are staffed by our own Stafford House and Worthgate School staff.

Breakfast is either at the Worthgate School cafeteria or the residence. Weekday lunches are either at the Worthgate School cafeteria or Canterbury College cafeteria. Weekend meals are at the Worthgate School cafeteria.

WORTHGATE SCHOOL RESIDENCES:

The Worthgate School residences are all located on New Dover Road. There is a mix of modern purpose-built and refurbished buildings. The majority of rooms are single or twin, with a few being triple and quads. Group leaders are placed in single rooms. Almost all bedrooms are ensuite with the remainder having access to private bathrooms.
