YEAR ROUND COURSES FOR GROUPS

Where will you choose?

Welcome to Study Holidays! I am delighted to present our 2022 year round brochure which gives details of all of our year round courses. As the world begins to return to normal with travel corridors opening up and high vaccination rates in most countries, we are delighted to resume business as normal for our young learners. Rest assured we have not been idle over the last year! We have been opening new centres, teaching new courses and have successfully launched virtual courses that will continue to run year round (page 28). Our virtual courses offer students an excellent opportunity to get an introduction to learning with us from the comfort of home before enrolling on a face-to-face course.

Everything else you have come to expect and for which we have an excellent reputation - customer service, incredible locations and student satisfaction - remain very much the same and be assured that the welfare and safety of our students is our priority.

To ensure good hygiene standards are maintained at our centres, we will make time for students to wash their hands between lessons and activities and before mealtimes. This will be monitored closely by our welfare team with extra supervision in place for our younger students.

As our students are often on the go, 70 % + alcohol hand sanitiser will be available throughout our centres and on excursions. Students will be shown where they can find it at induction and encouraged to use it frequently.

All rooms are deep cleaned before occupation and hard surfaces are frequently cleaned with sanitising cleaning liquids that guarantees to kill 99.99% of germs and bacteria including Covid 19.

YOUR STAFFORD HOUSE

OUR AIM IS TO TAKE EXCEPTIONAL CARE OF EACH AND EVERY STUDENT STAYING WITH US. OUR CENTRES AND LOCATIONS HAVE ALL BEEN SELECTED FOR THEIR SAFE AND SECURE ENVIRONMENTS, AND WE OFFER HIGH LEVELS OF SUPERVISION AT EACH.

STUDENT WELFARE

We understand that you trust us to take care of your students and we take our responsibility very seriously. For this reason, we have rules and procedures in place for all our young students to ensure their safety and well-being, which of course is our top priority. We are determined to provide the best possible experience for our students. From the moment they arrive and are

greeted at the arrivals hall, we are there to guide and support them every step of the way to the moment we wave them goodbye.

Our English Language courses in the UK are accredited by The British Council. We are also founder members of Young Learners English UK, a group who are dedicated to ensuring excellence in all aspects of junior courses, especially student welfare.

SECURITY

Our schools have always been a safe haven for students and we have highly developed contingency plans in place in the unlikely event of an emergency. Our staff are fully trained in these procedures so students can always feel they are in safe hands whilst in the care of Stafford House.

EVENING ACTIVITIES

Our activities provide the perfect opportunity for students to use the English they have learnt with their friends. Evening activities include discos, British culture night, talent shows and movie nights.

TEACHING

We employ dedicated professional teachers who are supported and guided by an experienced academic management team at Head Office.

Our syllabus and course materials are designed uniquely for our students, and aim to improve students' communicative competencies by building confidence and motivation.

Our aim is simple: to encourage students to use the language in realistic, cultural and fun situations. Each student will go home with a portfolio of their work along with tips and suggestions for further study.

Each student will go home with a portfolio of their work

A VARIETY OF GREAT EXCURSIONS & LOCAL VISITS

Our exclusive programme of excursions to historical, cultural and fun destinations is linked to motivating lessons that prepare students for visits to many of the UK and Canada's most famous cities. We use major excursion destinations such as London, Cambridge and Oxford as a "classroom" where students are exposed to a wealth of history and culture through guided walking tours, educational materials and visits to museums, colleges, cathedrals and other attractions. Our carefully planned tours enable our students to visit famous landmarks and learn about the history and culture of the city. Additional attractions and excursions can be booked in advance (at extra cost).

PROJECT WORK

Project work is a great way for students to make their own choices about what they learn, involving different skills and promoting creativity. Project work can cater for a wide range of learning styles and personalities and allows students to develop both their research and presentation skills. Projects are usually completed in small groups and can be presented in a variety of ways including: wall displays, blogs, short films, and magazine or newspaper articles.

YEAR ROUND COURSE OPTIONS

For groups studying with us year round - we offer a wide range of choice which can be tailored to a group's specific needs. SIX PARTS TO A PERFECT LEARNING DAY

1. LESSONS

Our online lessons are specially designed to target students' communicative competencies and maximise the benefits of the online classroom. All materials have been designed exclusively for Stafford House and breakout rooms will encourage pair and group work. For groups interested in studying towards a specific exam, preparation classes are available for Cambridge Suite, IELTS and Trinity GESE exams. 2. PROJECT WORK

Project work is a great way for students to make their own choices about what they learn, involving different skills and promoting creativity. Project work can cater for a wide range of learning styles and personalities and allows students to develop both their research and presentation skills. Projects are usually completed in small groups and can be presented in a variety of ways including online posters, blogs, short films, and magazine or newspaper articles.

3. ACTIVITIES

A Stafford House online activity will provide the perfect end to your session with us – the words & phrases that students have learnt in class will help them to have fun, use their English & even pick up a new skill. Activities Include: blog writing, international events, test yourself challenges, talent shows and scavenger hunts.

4. VIRTUAL TOURS & VISITS

Virtual tours and visits provide a great way for students to experience new places. Virtual tours of cities and famous landmarks are available to allow students to see and research new places. Interactive virtual visits to museums such as the National History Museum boost knowledge and inspire.

5. HOMEWORK

A Stafford House lesson doesn't end with an activity - the learning keeps going. Students will be given a homework task to complete which will build on what they have learnt in class and allow them to explore the topics even further.
