Students can enjoy exploring all that London has to offer, including shopping on Oxford Street (above)

OVERVIEW

Where better to come for a study holiday than London, the vibrant and iconic capital. Bloomsbury, London's literary centre, is filled with academic collections, medical institutions, book shops and cafes, as well as the famous British Museum. Having been home to many great thinkers and writers, such as Charles Dickens, it is easy to see why Bloomsbury is so popular with tourists and locals. Elegant Georgian townhouses line the leafy squares creating a peaceful space in the centre of London. There is so much to explore in this city and our programme aims to fit as much sightseeing and learning in as possible.

THE SCHOOL

Stafford House London is in the heart of the upmarket Bloomsbury, central London close to transport links and the excitement and buzz of the capital. The school is in a historic building that is full of character and packed with the latest technology. Classrooms are bright, light and airy and provide the perfect learning environment - there are interactive whiteboards and wifi throughout. There is an onsite café and canteen and groups are able to choose from either residential or homestay accommodation.
