

"For students wishing to gain an internationally recognised certificate this summer our Cambridge B2 first course is the ideal option. Experienced teachers will guide you through each element of the exam ensuring you have the knowledge and skills to approach it with confidence"

CANTERBURY, UK

WHAT'S INCLUDED:

TUITION

Students will take part in 23 hours of Cambridge B2 focused lessons each week. Lessons will tackle each element of the exam and will incorporate targeted practice activities and mock exams.

ACTIVITIES

We offer a variety of onsite activities including sports, arts and crafts and team games. Our activities provide opportunities for students to use the English they have learnt and make international friends.

EXCURSIONS

Full and half day excursions allow students to really get to know the UK. We use major destinations such as London, Cambridge and Edinburgh as a classroom where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

CERTIFICATE

Each student will have their English level tested upon arrival and will be placed in a class accordingly. Students will receive a portfolio to store their work in as well as a certificate to take home with them as a record of their course with us.

This is a course designed for students who have been studying towards the Cambridge First exam in their own country. Students can join the course for 3 or 4 weeks with the option of sitting the exam. Students will receive practice materials, regular assessments and self-study guidance. The exam can be taken during the final week of the course.

WHY TAKE THE CAMBRIDGE FIRST?

Passing the exam shows that you can use everyday written and spoken English at an upper-intermediate level. Cambridge First is ideal for those who wish to use English for study and work and is widely recognised as proof of language ability by industry and educational institutions, both in Britain and abroad.

The course:

- * Gives students the opportunity to practise speaking, listening, reading and writing *
- * Provides appropriate vocabulary and develops grammar and language skills *
 - ⋆ Helps improve study skills ⋆
 - ⋆ Builds fluency and exam confidence ⋆

MATERIALS

Students taking this course will receive a copy of a Cambridge First course book published by Cambridge University Press for the most authoritative exam preparation available. This will include a CD-ROM which provides interactive grammar, vocabulary and writing skills activities for further practice.
