

“For students keen to study in the UK’s academic capital, our Cambridge centre provides the ideal location. Our classic course combines English tuition with activities and excursions - these elements are linked together to enable students to put what they have learnt straight into practice”

CAMBRIDGE, UK

WHAT’S INCLUDED:

TUITION

Students will take part in 15 hours of English language lessons per week. Lessons are topic based and designed to be fun, energetic and informative. They enable students to use their English in real world situations and increase their confidence.

ACTIVITIES

We offer a variety of onsite activities including sports, arts and crafts and team games. Our activities provide opportunities for students to use the English they have learnt and make international friends.

EXCURSIONS

Full and half day excursions allow students to really get to know the UK. We use major destinations such as London, Cambridge and Brighton as a classroom where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

CERTIFICATE

Each student will have their English level tested upon arrival and will be placed in a class accordingly. Students will receive a portfolio to store their work in as well as a certificate to take home with them as a record of their course with us.

Famous throughout the world due to its prestigious university, Cambridge attracts around 7 million tourists each year who come to see the numerous sights and monuments. There is a great deal to discover in Cambridge, from a punting boat trip on the River Cam, to a visit to one of the notable museums.

The world famous Colleges of King’s and Trinity are only a short walk away from the school along the peaceful banks of the River Cam. Cambridge is a safe and popular city for students of all ages. CATS College Cambridge is a leading sixth form college with modern new facilities.

ENGLISH CLASSES

Our academic programme provides the perfect learning adventure through dynamic, interactive, informative and culturally integrated lessons. Our syllabus is specially designed to target communicative competencies by building confidence and motivation and maximising the benefits of the international environment. Our aim is simple: to encourage students to use the language rather than just learn about it. Our teachers are specially trained to encourage students to use language in realistic, cultural and fun situations. Linking our activities and excursions to our classroom learning enables students to put what they have learnt straight into practice and communicate meaningfully with others from a range of nationalities. Classroom language and everyday English will help students really make the most out of their stay.

One full-day excursion per week is included. Destinations may include London, Warwick Castle or Canterbury. One half-day excursion per week is included, destinations may include Ely, Bury St Edmunds or Stamford.
