

BOSTON

MICHAEL OWEN'S RED STARS SOCCER SCHOOL

OVERVIEW

This popular course includes coaching and interaction with some of the stars of world soccer! The 15 hour per week coaching program has been written exclusively for Stafford House Summer by the England International and Liverpool legends Michael Owen and ex- Liverpool Captain Mark Wright, and will be delivered by fully qualified and experienced coaches.

Each training course will include surprise visits by other soccer legends, and opportunities will be available for all students to train with the players as well as taking photos and receiving signed gifts. Whilst we can't plan any specific player, we can guarantee that it will be a well-known figure from either the MLS, British Premier League or either the US Mens or Womens National Team.

The program will take place at Cat's Academy, this is a private high school with world class facilities. The program will be a mix of domestic and international students creating an incredibly multi-cultural environment.

DEDICATED TEACHERS

- Our teachers are all fully qualified and use our own Stafford House Summer specially-designed course books and materials. In addition to this, you will be encouraged to use English inside and outside of the classroom, to ensure that you learn and speak as much as possible during your stay.

THE LANGUAGE COURSE

- Tuition will focus on spoken communication and will be based on a syllabus especially designed for those with an interest in soccer.
- A dedicated course book will be used for communicating with players, coaching staff, journalists, agents and fans.
- Lessons will cover vocabulary for use on the pitch and in commentaries.
- In addition to formal language input the course will involve pair and group work as well as role plays and opportunities to use the language practically.

THE COACHING COURSE

- This program gives students an opportunity to improve their soccer skills under the guidance of specialist Red Star soccer coaches.
- Coaching sessions are carried out in small groups and aim to develop the players both individually and as a group.
- Soccer skills will include: ball control, passing and moving, agility, positioning, tactics and formations as well as understanding the art of defending and attacking.
