TUITION

Students will take part in 15 hours of English language lessons per week. Lessons are topic based and designed to be fun, energetic and informative. They enable students to use their English in real world situations and increase their confidence.

HOCKEY

Students will take part in 9 hours per week of field hockey coaching. These sessions will be taught by a specialist coach and will enable those who take part to really develop skills and confidence in their game.

ACTIVITIES

We offer a variety of onsite activities including sports, arts and crafts and team games. The school day will finish with an evening activity which will include discos, international nights and talent shows. Our activities provide opportunities for students to use the English they have learnt and make international friends.

EXCURSIONS

Full and half day excursions allow students to really get to know the UK. We use major destinations such as London, Cambridge and Canterbury as a classroom where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

CERTIFICATE

Each student will have their English level tested upon arrival and will be placed in a class accordingly. Students will receive a portfolio to store their work in as well as a certificate to take home with them as a record of their course with us.

Students receive expert tuition in areas including passing, receiving, ball control and individual/team defence. Coaching sessions will focus on movement control, synchronization, and rhythm to develop skills before moving on to match practice.

The course is taught entirely in English so students build confidence in both their hockey skills and in using language to communicate in team environments.

Students receive 15 hours of English language tuition, plus 9 hours of professional hockey coaching per week at the Oakham School sports facilities. The coaching sessions are planned by coaches to develop each student’s natural abilities and awareness.
