Discover the state-of-the-art Shanghai from the brand new state-of-the-art campus

## OVERVIEW

Shanghai, on China's central coast, is the country's biggest city and a global financial hub. Its heart is the Bund, a famed waterfront promenade lined with colonial-era buildings. Across the Huangpu River rises the Pudong district's futuristic skyline, including 632m Shanghai Tower and the Oriental Pearl TV Tower, with distinctive pink spheres.

Our Shanghai course gives students the opportunity to discover this modern and exciting city through an intensive schedule of full and half day excursions.

## THE SCHOOL

Located at the brand new state-of-the-art CATS Shanghai campus, students will learn in a well-equipped environment. The school is beautifully designed with large open spaces and greenery as well as its own creek that runs through the centre.

The dormitories and classrooms both include modern furnishings and equipment so that the students can learn more efficiently and in greater comfort. There is also an on-campus convenience store to provide food, drinks, and daily necessities to students.
