INDIVIDUALS PROGRAMMES

STAFFORD HOUSE STUDY HOLIDAYS COURSES FOR INDIVIDUALS

Individual students join the majority of our courses in the UK and USA. With a huge variety of creative, academic and activities-based courses, students will be able to find a programme that fits their existing interests or try something completely new. Our aim is to help every student develop their confidence with using English in real life scenarios.

Individual young learners can choose from a wide range of exciting courses in language, sports, science, business, fashion and arts. We run our academic and creative courses in partnership with CATS Global Schools and Cambridge School of Visual & Performing Arts. Whether a language learning experience, scientific exploration or creative development is at the heart of the course, our students always experience so much more, with exciting activities, engaging visits and adventurous excursions included.
