^{***} Night duty is only performed by Student Welfare Officers and Managers.

^{*} Student supervision includes free-time, breakfast, lunch and dinner duties. These are often 30 mins but can take more or less time depending on group sizes.

^{**} Lights out duty is generally 10.30 PM to 11.30 PM. Duties may vary according to the needs of the centre, but the hours worked would never be more than 48 hours per week.
