

# Model United Nations

THE  
WORTHGATE SCHOOL  
CANTERBURY

“For students who are interested in international relations with the curiosity and courage to challenge and be challenged! The course culminates in a simulated United Nations conference where students assume the roles of delegates of member states and discuss solutions to current issues”

**CANTERBURY, UK**

#### WHAT'S INCLUDED:

##### **TUITION**

Students will take part in dynamic lessons and seminars which will explore case studies using a multi-disciplinary approach.

##### **EDUCATIONAL VISITS**

Our educational visits provide the perfect complement to lectures and workshops and give a real world perspective to our courses. They include visits to the British Library and a local university.

##### **ACTIVITIES**

We offer a variety of onsite and offsite activities. Our activities provide opportunities for students to have a fun and make international friends.

##### **EXCURSIONS**

Full day excursions allow students to really get to know the UK. We use major destinations such as London as a classroom, where students will find creative and cultural information through guided walks and visits to museums and other places of interest.

##### **CERTIFICATE**

Awarded for the successful completion of the course and final presentation.

# Model United Nations

CHALLENGE AND BE CHALLENGED

## COURSE OVERVIEW

Our Model United Nations course provides a unique and exciting opportunity to explore the world of international affairs in an engaging and interactive way. Participants will build up a portfolio of work during the course by collating information regarding their assigned country, carrying out issue research, creating an opening speech and generating discussion points. The course will look at a range of topical areas from the disciplines of history, politics, law, economics, geography, psychology and science- engaging students who have a wide range of interests. The course will include dynamic lessons, group work to discuss issues raised and build and develop viewpoints, as well as Independent study where students have time to build a portfolio and work on individual speeches . The course will also include educational visits such as a trip to a local university or the British Library for research. The programme will end with a final United Nations conference.

---

## PROGRAMME OUTCOMES

You will:

Develop your communication, problem solving and team work skills

Explore research skills while you build up your portfolio of work

Discover more about presentation skills and how to communicate and debate effectively with others

Enhance your English language skills in practical ways

---

## ACTIVITIES & EXCURSIONS

One full-day excursion per week is included. Destinations may include London, Brighton or Cambridge. The onsite activities programme is both fun and varied and has something that will interest both creative and sporty students alike. Each day will end with an energetic evening activity which encourages students to socialise with their new international friends. Evening activities are varied and fun and may include discos, talent shows and international evenings.
