**WASHINGTON ST,  
BRAINTREE, MA 02184,  
UNITED STATES**

CATS Academy Boston combines the experience and values of a traditional American boarding school with a new, state-of-the-art campus. The campus is located in the leafy suburb of Braintree and is just 10 miles from downtown Boston and the beach. Boston is the capital of Massachusetts and one of the oldest cities in the USA, founded in 1630. The main building offers outstanding spaces to develop and nurture creative independent thinking. The campus covers more than 20 acres and features: 43 classrooms including 6 language labs, 6 wet and 3 dry science labs, 7 music rooms,

3 art studios, an experimental theatre space known as the 'Black-Box', a large study area and student lounge, a business lab and a fashion lab. All boarding accommodation is on the campus grounds. There are 5 residences which have 449 rooms. Each residence has a social area for you to get together with new friends and relax, and we have invested over \$1m into campus security so you feel safe and secure at all times. We offer a superb location from which to explore New England and experience American culture. Our campus is a short ride from the city of Boston and close to prestigious

universities such as Harvard, MIT and Boston University – allowing you to enjoy everything Boston has to offer. Twenty minutes from downtown Boston, CATS Academy's proximity to the metropolitan area provides an extension to our campus. You can take part in a wide range of academic, athletic, and social experiences across the city and at many of the top universities and colleges. On the weekends,

CATS Academy Boston runs free student shuttle buses from the campus to the local T station in Braintree, as well as the local shopping mall, South Shore Plaza, giving you lots of opportunity to explore the local area. For those wishing to explore slightly further afield the school is perfectly situated for trips to Salem, Canobie Lake Park, Newport and Rhode Island.
