Full and half day excursions allow students to really get to know the UK. We use major destinations such as London, Cambridge and Edinburgh as a classroom where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

**CERTIFICATE**

Each student will have their English level tested upon arrival and will be placed in a class accordingly. Students will receive a portfolio to store their work in as well as a certificate to take home with them as a record of their course with us.

This is a course designed for students who have been studying towards the Cambridge First exam in their own country. Students can join the course for 3 or 4 weeks with the option of sitting the exam. Students will receive practice materials, regular assessments and self-study guidance. The exam can be taken during the final week of the course.
