# CSVPA CAMBRIDGE UK

All of our students become part of the CSVPA family, a vibrant, multicultural community of highly creative people who share common dreams and ambitions. On our CSVPA summer courses, you will make friends, sharing ideas and experiences that elevate your work and inspire you to explore your own creativity.

All of our studios are designed to look, feel and operate like those you would work in during a professional career. We make

sure you are adept at using all the latest equipment, processes and programmes that the creative industries use. Students have access to our studio spaces and our lecturers provide personalised tuition.

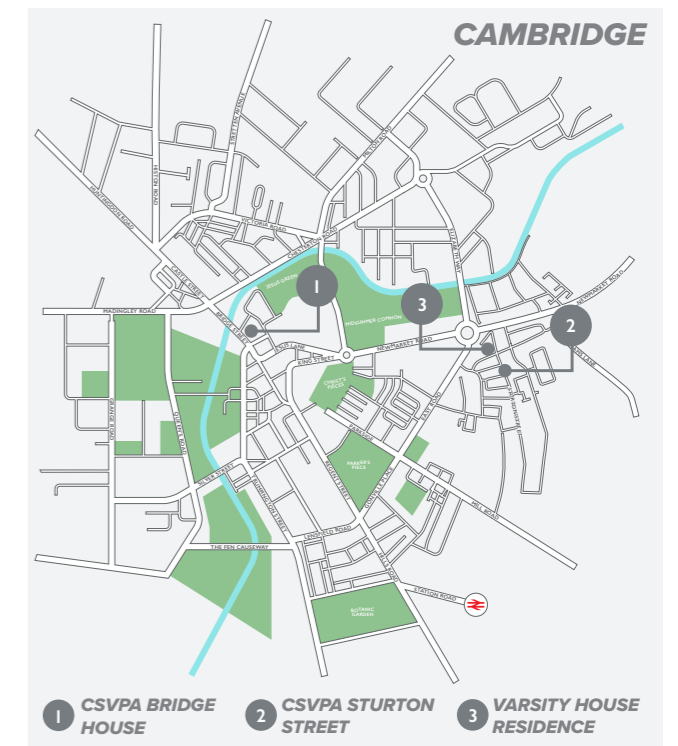

A beautiful, multicultural city, Cambridge is rich with English history and lots to do. There is a popular music scene with multiple venues to choose from across different genres. Arts and culture can also be enjoyed with world famous museums

that show some of the rarest collections, sculptures, art and ancient antiques dating back to even the pre-historic era. There are many art galleries that are filled with contemporary and renaissance artworks and plenty of theatres which host performances, from Broadway shows to amateur theatre groups.

Cambridge is one of the safest places to live in Britain. There is an abundance of shopping

centres, restaurants, cafés and cinemas, and during our courses, when you explore the rest of the UK, you can easily jump on a train and be in London in just under an hour.

Cambridge is easy to get around on foot, by bike or using public transport. Our Varsity House student residence is a 20 walk from our Bridge House centre in Round Church Street and 12 minutes by public transport.
