LONDON EXPLORER

LONDON, UK

Where better to come for a study holiday than London, the vibrant and iconic capital. Bloomsbury, London's literary centre, is filled with academic collections, medical institutions, book shops and cafés, as well as the famous British Museum. Having been home to many great thinkers and writers, such as Charles Dickens, it is easy to see why Bloomsbury is so popular with tourists and locals. Elegant Georgian townhouses line the leafy squares creating a peaceful space in the centre of London. There is so much to explore in this city and our programme aims to fit as much sightseeing and learning in as possible.

ENGLISH CLASSES

Our academic programme provides the perfect learning adventure through dynamic, interactive, informative and culturally integrated lessons. Our syllabus is specially designed to target communicative competencies by building confidence and motivation and maximising the benefits of the international environment. Our aim is simple: to encourage students to use the language rather than just learn about it. Our teachers are specially trained to encourage students to use language in realistic, cultural and fun situations. Linking our activities and excursions to our classroom learning enables students to put what they have learnt straight into practice and communicate meaningfully with others from a range of nationalities. Classroom language and everyday English will help students really make the most out of their stay.

ACTIVITIES & EXCURSIONS

Five half day excursions around London per week are included, destinations may include The British Museum, Natural History Museum, Science Museum, The National Gallery and Buckingham Palace as well as many others. One full-day excursion per week is included. Destinations may include Oxford, Brighton or Cambridge. The onsite activities programme is both fun and varied and has something that will interest both creative and sporty students alike. Each day will end with an energetic evening activity which encourages students to socialise with their new international friends. Evening activities are varied and entertaining and may include discos, talent shows and international evenings. Transport passes will be issued to all students.
