

THE NEW LOOK SUMMER

WWW.STUDYHOLIDAYS.COM

Dear Travel and Study Agent,

In this, our 25th year in the business, I am very pleased to supply you with our new brochure which includes our new locations, centres and courses for 2019, across the UK, USA and Canada. We also include a separate price list with our terms and conditions.

Our new brochure contains all the information you need to know regarding our summer groups, year-round junior groups, and junior individual students. We hope you like our new-look brochure which continues with our concept of "Adventures in English" for our students!

For 2019 we have the following exciting news:

- We are proud to introduce two new residential Summer Campus Centres; one at Chichester College in West Sussex, and the other at York University in Toronto
- We are also proud to announce a new year-round residential centre at the Southend Campus of the University of Essex
- Our brochure also features Augmented Reality for the first time, which means that when the app has been downloaded, a scan of the 'Zappar' symbol on our centre pages will take you to exciting videos and materials that showcase our schools and campuses in all their glory

Please do not hesitate to contact our Reservations Team if you require any further information or publicity materials on any of our courses and locations, or if you are ready to make a provisional booking. We look forward to welcoming your students in 2019!

With kind regards

Ruth Fenton
Director of Sales-Junior Individuals and groups
