

ACADEMIC

Teachers receive unparalleled support and guidance, and are provided with our specially designed syllabus, as well as a wide variety of up-to-date materials. Our experienced academic management team will provide you with a thorough induction, training workshops, observations and feedback, and are on call to answer questions when you need them.

Teachers may be required to teach anything from 15 to 30 hours per week, depending on the needs of their centre at any given time. When teaching fewer hours, teachers assist more with running the activities and excursions programme, and with student welfare.
