ABOUT CAMBRIDGE

Cambridge is recognised around the world for its historic university campus and the iconic River Cam. The city welcomes just over 7 million tourists each year, and with its rich history and stunning scenery it's easy to see why! Our summer courses in Cambridge offer our students the chance to experience this vibrant UK city firsthand.

OUR SUMMER CENTRE

Our summer courses are based on the campus of our year-round CATS Cambridge college. The purpose-built, modern campus is the perfect site for the summer and is located very close to the city centre (around a 15-20 minute walk).

ACCOMMODATION INFORMATION

Staff accommodation will be in one of the two college residences. One is conveniently based on the campus itself and the other is just a short walking distance away.

All staff will have **single rooms** with their own **en-suite bathroom** included. The residences are used by students and group leaders as well as staff during the summer.
