YEAR ROUND COURSES

CULTURE

Where will you choose?

"I am delighted to present our Year Round 2025/2026 brochure highlighting details of all our year-round courses for individuals and groups! Our year-round courses offer excellent opportunities to create tailored programmes focused on each group's specific needs. From our exciting, engaging English With Activities courses to supplementary courses, including IGCSE examination prep and our exclusive World of Work courses, there is something for every group.

New for this year is an over 18s course, English Essentials, that allows older learners to develop confidence in communicating in English. Delivered at our London, Canterbury and Cambridge centres, the programme is a great opportunity to improve English skills whilst exploring the UK. We are also pleased to now offer residential accommodation for juniors all year round in Canterbury and Bracknell.

All you have come to expect and for which we have an excellent reputation - customer service, dedicated teachers and student satisfaction - is central to the Study Holidays approach and we continue to evolve our course offering to suit all tastes."
