

BRINGING ONLINE & FACE-TO-FACE LESSONS TOGETHER

IMMERSE YOURSELF IN ENGLISH BEFORE YOU TRAVEL WITH **CONNECTED**- FLEXIBLE ONLINE AND FACE-TO-FACE ENGLISH CLASSES DESIGNED TO FIT YOUR INDIVIDUAL STUDY NEEDS

FLEXIBLE STUDY AT HOME AND ABROAD

As travelling to the UK or Canada may not be possible for students, we have created our **Connected** English programme. This hybrid programme gives students the flexibility to study with Stafford House from the comfort of home before travelling to one of our schools to continue their studies – *all for a great value price!*

Stafford House Connected allows students to book a face-to-face class in any of our schools in the UK and Canada and begin their studies from home through our specially designed online programme. Students can book any length of course at any Stafford House school and then add between 2 and 12 weeks of online classes before they arrive for face-to-face lessons. With flexibility at its core, students can change their face-to-face start dates to a time* that suites them, allowing for greater piece of mind when booking.

IMMERSE YOURSELF BEFORE YOU ARRIVE

To help students get the most from their time with Stafford House, online Connected classes include access to our wide range of online activities and social events! Students will have the opportunity to become part of the school community as soon as they enrol in an online class and get all the benefits and support that can be expected from a Stafford House English school.

HASSLE FREE STUDY

With Connected we are able to offer our high-quality Stafford House courses, access to our vibrant student community and the flexibility for students to pick up their face-to-face English learning from where they left their online course. To make the studying process as stress free as possible students can postpone their face-to-face classes to a time convenient for travel that is before the 31st December 2021.

ONLINE ONLY COURSES:

As part of Connected we also offer two of our specialist English courses for students who want to study an online-only Stafford House course. What's more, students will not need to pay a registration fee or a materials fee for these courses.

PROFESSIONAL CERTIFICATES

With courses in Marketing, Business Management and Project Management the Online Professional Certificate programme is a 4 week course for students who want to learn business skills, build professional networks and gain a certificate to enhance their professional resume.

UNIVERSITY PATHWAYS

Get access to one of our partner institutions in Canada with the Stafford House Connected University Pathways. Students can study on our University Preparation Course 100% online or as a combination with face-to-face classes. A minimum programme length of 12 weeks is required for university acceptance with this course.

ONLINE SOCIAL PROGRAMME

Enrol on a Connected course and gain access to our online activities programme! Students can take their English learning beyond the classroom and become a part of the Stafford House community with a range of online social activities throughout the week. Example activities include:

CONVERSATION CLUB

Students can practice their English language conversation skills

KARAOKE

Enjoy an online sing-along with classmates

YOGA CLASS

Keep healthy and active with our English language Yoga classes

TRIVIA NIGHTS

Get competitive and test your knowledge with other students

FLEXIBLE ONLINE TIMEZONES

Our school locations in the UK and Canada allow us to teach our online classes to suite multiple timezones for maximum flexibility. With four time slots available there will always be a convenient time to study.
