

STAFFORD HOUSE CANTERBURY

Canterbury is in the heart of the Kent countryside, which is known as 'The Garden of England'. This corner of England is rich in history because it is so close to mainland Europe – you will find castles everywhere you go! Paris and Brussels are just a short journey away.

Our light, bright school is just moments from the centre of this medieval city, awash with history yet vibrant with student life from the three popular universities that also reside here.
