You will be fully immersed in an English-speaking environment and explore subjects that you are passionate about. Outside the classroom we provide daily activities, providing the opportunity to use English in real, everyday situations. This is key to your progression! Join us at a karaoke night, master your speaking at a conversation club, relax and stretch with a yoga class, or improve your cooking - all whilst learning English!

EXPERIENCE THE UK

We have three excellent schools situated in some of the most historic cities in the UK - London, Cambridge and Canterbury. Why not study in more than one and

experience what our cities and schools have to offer? Our unlimited package is designed exactly for this reason, to showcase all the great differences! See page 25 for more details.

THE STUDENT PORTAL - SYMBA

In order to make the student experience at Stafford House as fast, responsive and digitally integrated as possible we have developed our online student portal to provide on-demand student support.

STUDENT WELFARE

Our friendly, professional and well-trained team of Student Services Officers are onsite to ensure that our students are supported in all aspects of school life, with on hand help to navigate the challenges of living in the UK.

OUR ONLINE PORTAL - SYMBA

Symba is available for all students to access before they arrive to study, whilst they are studying and after they depart.

Before students arrive to study Symba allows them to access their pre-arrival details, helping us provide a great start to their journey. Whilst they are studying, students can interact with the online portal to obtain the most up to date student news in their school and from the other schools at Stafford House. After students complete their course they can still access the portal and download certificates, reports or assessments.

The student portal allows us to deliver enhanced and efficient customer service through improved communications, greater student visibility and effective recording of student feedback. The online portal also allows our staff to give the best possible care to our students and allows for open communication between the students and staff. We continuously upgrade the portal to ensure we are giving our students the best possible experience on their journey!

SYMBA FOR STUDENTS

Students can instantly access their attendance, class schedule, view their results, and have access to their personal documents. This means the students

are in control, empowering them on each stage of their journey. Symba allows students to view the live social programme at their school and even sign up online to activities, events and excursions! This means students can start planning before they arrive to make the most out of their stay with us!

STUDENTS CAN USE SYMBA TO:

- Track attendance and test results
- Sign up for activities and excursions
- Access instant advice on welfare questions
- Read school news
- See staff profiles and learn about our team
- Get study advice
- Learn about their city's attractions, events, housing and health resources

We believe having our own dedicated platform helps us enhance our students journey from beginning to end. The visibility of information afforded students helps to create an efficient and reactive study environment and promotes a community atmosphere in school with both students and staff. Symba is part of our continuous development project here at Stafford House!

STUDENT SERVICES TEAM ON HAND TO HELP

We want our students to have an enjoyable and seamless English learning experience with us and we have a dedicated Student Services Team to ensure that if any problems arise they are dealt with quickly and efficiently.

Our student services team are always available in reception to make life easier for our students, provide up-to-date information, assist with any queries or problems or just have a friendly chat. Outside of school hours a member of the team is always contactable by phone via a 24-hour emergency number.

Our team is on hand to deal with student welfare issues, help out with accommodation queries and requests, provide local expertise, arrange social and cultural activities and events and be a friendly face to help ease students into their stay with us.

GENERAL ENGLISH

We have written a new curriculum for our General English courses to help you improve as much as you can, use your English in the real world and learn how to study on your own once your course has finished.

Whatever your goals are, Stafford House can help you achieve them, and General English is always the starting point.

OBJECTIVES

Our core General English class is an integrated skills class, covering reading, writing, speaking, listening, pronunciation, grammar and vocabulary. Our focus is on developing students' English skills for real communication.

Our General English programme is truly interactive and engaging. How much your English improves depends on how much you practise and study. Going to class, completing homework, doing private study, and taking part in our exciting social programme as much as possible

will help you achieve your goals as quickly as possible, while having fun!

FLEXIBILITY

Study for 20, 25, 30 or 35* lessons per week. Choose from our range of modules to personalise your programme to fit your needs.

HOW YOU LEARN

Our teachers use a range of techniques that keep students motivated and build confidence. Any weekly programme is influenced not only by the coursebook and syllabus but also by the individual learning goals and interests of the students.

PLACEMENT TEST

On or before your first day you will be given a language test, to assess your knowledge of grammar and vocabulary and how well you are able to understand and speak English, so we can put you in the right class.

MAKING PROGRESS

From the first day, students make progress in English by using the language in meaningful ways. New language is practised and mastered in the classroom, enabling students to communicate outside of school more confidently, accurately, and effectively. Our teachers act as coaches and facilitators, clarifying concepts, correcting errors in students' speaking and writing, and pushing everyone to participate to the maximum of their ability.

MONTHLY TUTORIALS

Every month you'll have a one-to-one tutorial with senior academic staff, where you can review course choices and learning methods, and make sure you are on track to reach your goals and fulfil your potential.

DEVELOP YOUR ENGLISH

Each week you will be encouraged to consider your own development and suggest areas that will help you develop most quickly. Your teacher will take your suggestions and use them with the syllabus to create lessons for your class that work for you.

LEARNER AUTONOMY

We help every student at Stafford House continue their study outside the classroom and when they return home. We help you to use English-English dictionaries. We help you to organise how you record new vocabulary. Our teachers will show how to organise your notes and how to research topics on the internet. We also help you in your monthly tutorials. When you leave Stafford House we want you to continue to improve your English and we want to show you how to do this.

OUR GENERAL ENGLISH COURSES:

- Focus on developing practical and functional skills, rather than just learning grammar or vocabulary.
- Engage students in practical tasks that relate to or simulate real-world English.
- Prioritise meaningful, communicative language over traditional exercises.
- Support a skills-based approach through ongoing assessments and tests.

GLOBALLY RECOGNISED

Cambridge Exams are recognised globally by schools, universities and employers and never expire (so you don't have to take them again in two years' time).

Unlike IELTS, the Cambridge Suite exams are proficiency tests. This means that you must take the right test for your level. Because of this, the preparation you do for these exams really helps you improve your English, as it is aimed specifically at your level.

Stafford House is an approved testing centre for Cambridge Suite exams at our Canterbury and London schools. This means you can book and take your exams in the same place you have your lessons, which should reduce exam anxiety and help you perform better.

CAMBRIDGE ENGLISH FIRST / B2 FIRST

This is the most popular exam in the Cambridge Suite, and it demonstrates that you can use everyday written and spoken English independently for work or study purposes.

CAMBRIDGE ENGLISH ADVANCED / C1 ADVANCED

This advanced level exam is accepted by more than 6000 education institutions, employers and government departments world wide. It shows you have reached a high level of English.

CAMBRIDGE ENGLISH PROFICIENCY / C2 PROFICIENCY

This qualification demonstrates that you have mastered the English language and speak it exceptionally well, with high levels of fluency and sophistication.

TEACHER TRAINING

Whether you are a recent graduate wanting to start your career, looking to teach English abroad in a gap year or career break, or you want a complete career change, our CELTA course will give you the tools you need to succeed. Stafford House London is one of the largest CELTA training centres in the world*

A GLOBAL TEACHING QUALIFICATION

Have you ever dreamed of living and working abroad? The University of Cambridge CELTA (Certificate in English Language Teaching to Adults) could be the best way to achieve your travel goals. Recognised worldwide, a CELTA from Stafford House could allow you to travel all over the world, and provide career opportunities in English speaking countries. If travel isn't your main goal, obtaining a CELTA can also offer a wealth of teaching opportunities in schools in your country.

CELTA is the most widely recognised English teaching qualification in the world and the most often requested by

employers; three out of four English language teaching jobs require a CELTA qualification.

We offer both full time and part time courses to allow flexible tuition for all schedules and we now offer our CELTA course 100% online. Our online course results in the same certification as our face-to-face course, ensuring you are qualified to teach around the world.

CELTA AT STAFFORD HOUSE

Our rigorous CELTA training programme is taught at our London school, and will provide all the practical tools you will need to find success in the field of teaching ESL/EFL. Our small trainee group sizes will ensure that you receive the personal attention and support needed to meet the challenges of the course. Our experienced teacher trainers are knowledgeable, passionate and dedicated to giving our CELTA candidates the best training available. The Stafford House CELTA has been designed to ensure our candidates access a quality curriculum for the duration of the course. During the course, you will have six hours of guided teaching practice with real groups of language students from all over the world. The practical experience you will gain in the

classroom, whether online or in our London school will provide you with the skills you'll need to start teaching in the real world.

A NEW CAREER

Online CELTA has all the benefits of a face-to-face CELTA, following the same curriculum and including the same assessment, resulting in the same certificate. Using Cambridge Assessment materials on a Moodle platform, and teaching tools on the Zoom and Teams platforms, you will still benefit from teaching practice with real groups of language learners and assessment by our London-based team of experienced teacher trainers.

TEACHER TRAINING - BEYOND CELTA

Our teacher training doesn't just stop at CELTA. We offer a number of courses for qualified teachers to gain new certification and advance their ESL careers.

As well as CELTA and DELTA, we also offer Teacher Training Online Short Courses on a fulltime and part-time basis throughout the year. These courses are designed to provide continuous professional development for both experienced and newly qualified teachers. We offer five Teacher Training short courses which are taught online from our London Teacher Training centre:

- Teaching English to Young Learners
- Teaching Business English
- Teaching English Online
- Teaching English for Academic Purposes

MIXED MODE CELTA

For those uncertain if they would like to take an online or face to face CELTA we offer a mixed mode course which combines both face to face and online teacher training and allows trainees to gain experience of both formats. Taught over a 9 week period, the Mixed Mode CELTA course starts with 7 weeks of Online CELTA training, taking place on a Monday evening (4 hours) and is followed by 2 weeks of fulltime face-to-face tuition at our London school.

TAILORED TO YOUR NEEDS

Whether your group is looking for specialised course content for academic, cultural or professional purposes, we work with you to understand your requirements and objectives, and use that understanding to design a highly effective teaching programme. We welcome groups from a variety of backgrounds and professions, from university students and business executives, to nurses, pilots and teachers. All of our group students share the same teaching facilities as our year round students.

BESPOKE ACTIVITIES

Alongside the course content, we can offer a bespoke calendar of cultural and social activities, meal plans with specific dietary requirements and assistance with particular travel arrangements and accommodation types, ensuring that every aspect of your experience is tailored to your needs and expectations.

Our Canterbury centre can provide group programmes in closed classes for students aged 12+. In London and Cambridge the minimum age for groups is 14.

COURSES WE'VE RUN:

Some of the courses we have run recently include:

Teacher training courses for teachers from all over the world, which include “refresher” General English classes plus “teaching methodology” input sessions.

A two-week Harry Potter themed course, with classes in the mornings followed by Harry Potter-themed Blue Badge guided walks in the afternoons. The highlight of this trip was the visit to Warner Brothers’ Studios and the premiere of a new Harry Potter movie.

An exam preparation course for Trinity GESE, Cambridge CAE and IELTS preparation.

A customised technology and startup company experience, including a digital marketing module in the morning with afternoons including various events and tours. This course included visits to the offices of local companies and attending a networking event for ‘Angel Investors’.

OUR GLOBAL COMMUNITY

Stafford House is proud to support organisations that help less privileged, marginalised and vulnerable people across our global community gain access to education. We believe education is a right for all and currently support the inspiring work of United World Schools, by raising funds for the running of the Ngang Som Thom school in Cambodia. We also support the vital work done by RefuAid by providing English courses to refugees and asylum-seekers in the UK.

OUR WORK WITH UWS

Since partnering with UWS our staff and students have consistently exceeded raising the funds needed to cover the running costs of our sponsored school. We've sent employees from across our centres to visit the Ngang Som Thom school twice, where they helped to teach lessons, got to know the students, and learnt all about the important work UWS undertakes in a country where many children are beyond the reach of the education system. We plan to send more employees to Cambodia to teach the students, aid the teachers and learn just how valuable education is for all peoples across the globe.

REFUAID

In our London school we have partnered with RefuAid by providing English scholarships for refugees who find themselves in need. So far in our collaboration we have helped inspirational individuals from Syria, Sudan, Darfur and other countries that have been forced to flee, and those students have gone on to BA or MA programmes at UK Universities. It's a partnership that enriches the life of the school, and we are very proud to be able to provide this support to these incredible individuals. By supporting displaced peoples in this way, we not only give them help with their education but also welcome them into our country and into our school communities.

OUR SCHOOL FUNDRAISING EFFORTS:

Here are just a few of the many fundraising events we've held at our schools.

JUST A TRIM

Three of our centre directors have been brave enough to have their heads completely shaven to raise money for our charities!

RECIPE FOR SUCCESS

Our students and staff have held numerous bake sales, bake-offs and cooking competitions to share their national dishes and raise money at the same time.

RUN FOR YOUR MONEY

We have held numerous runs, races and walks for students and staff to join in with and get healthy as they help out.

NO MOUNTAIN HIGH ENOUGH

Some of our teachers have even climbed Mount Snowdon in Wales in an effort to raise money for UWS and other charities.
