## WELCOME!

I am delighted to introduce our new brochure outlining our Summer and All Year Round courses for 2020! We are excited to offer some new centres and courses and as importantly, to continue to provide our traditional high standard of service.

We are very excited to announce that we have teamed up with Michael Owen's Red Stars Football School for our football programme. Coaching will be provided by a very experienced team including ex-England International Mark Wright and will feature an appearance each week by an ex-International Footballer to meet the students!

RUTH FENTON - DIRECTOR OF SALES, JUNIORS & GROUPS

This year we are also proud to introduce a new Summer and Year Round centre at Dover College. Close to the seaside and offering courses in sailing, it is in a perfect location to explore the South-East of England. During the year we will offer immersive courses in Dover College with English-speaking children, both on a weekly boarding basis for full immersion or on a twice weekly daily basis from Canterbury.

We are also pleased to be able to offer a new centre in Calgary, Canada. Surrounded by some of the most breath taking scenery the world has to offer, students can excursion into the Rockies and practice their English in a friendly homestay environment.

As well as continuing to innovate with new and interesting courses and locations each year, we maintain our commitment to high quality customer service and student safety for which Stafford House has an excellent reputation.

## STUDENT WELFARE

Our aim is to take exceptional care of each and every student that stays with us. Our centres and locations have all been selected for their safe and secure environments, and we offer high levels of supervision. We understand that you trust us to take care of your students and we take our responsibility very seriously. For this reason, we have rules and procedures in place for all our young students to ensure their safety and well-being, which of course is our top priority.

In addition, our 'team in pink' – our Student Welfare Officers – are at each centre, to ensure that all students have someone to look after them and to listen to them if they have any questions or need advice or support at any time.

We are determined to provide the best possible experience for our students. From the moment they arrive and are greeted at the arrivals hall, we are there to guide and support them every step of the way to the moment we wave them goodbye.

Our English Language courses in the UK are accredited by The British Council. We are also founder members of Young Learners English UK, a group who are dedicated to ensuring excellence in all aspects of junior courses, especially student welfare.

## TEACHING

We employ dedicated professional teachers who are supported and guided by an experienced academic management team at Head Office

Our syllabus and course materials are designed uniquely for our students, and aim to improve students' communicative competencies by building confidence and motivation and maximising the benefits of the multi-lingual classroom. Our aim is simple: to encourage students to use the language in realistic, cultural and fun situations.

Each student will go home with a portfolio of their work along with tips and suggestions for further study.

## SECURITY

Our schools have always been a safe haven for students and we have highly developed contingency plans in place in the unlikely event of an emergency. Our staff are fully trained in these procedures so students can always feel they are in safe hands whilst in the care of Stafford House.
