THOROUGH AND INFORMATIVE STUDENT INDUCTIONS

We want to make sure that each and every student that stays with us feels safe and secure in the school environment. Students will receive a warm welcome and thorough induction including information on how to stay safe during their stay.

HAND WASHING

To ensure good hygiene standards are maintained at our centres, we will make time for students to wash their hands between lessons and activities and before mealtimes. This will be monitored closely by our welfare team with extra supervision in place for our younger students.

HAND SANITISER

As our students are often on the go, 70 % + alcohol hand sanitiser will be available throughout our centres and on excursions. Students will be shown where they can find it at induction and encouraged to use it frequently.

STUDENT WELFARE

We understand that you trust us to take care of your students and we take our responsibility very seriously. For this reason, we have rules and procedures in place for all our young students to ensure their safety and well-being, which of course is our top priority.

In addition, our ‘team in pink’ – our Student Welfare Officers – are at each centre, to ensure that all students have someone to look after them and to listen to them if they have any questions or need advice or support at any time. We are determined to provide the best possible experience for our students. From the moment they arrive and are greeted at the arrivals hall, we are there to guide and support them every step of the way to the moment we wave them goodbye.

Our English Language courses in the UK are accredited by The British Council. We are also founder members of Young Learners English UK, a group who are dedicated to ensuring excellence in all aspects of junior courses, especially student welfare.

SECURITY

Our schools have always been a safe haven for students and we have highly developed contingency plans in place in the unlikely event of an emergency. Our staff are fully trained in these procedures so students can always feel they are in safe hands whilst in the care of Stafford House.

A variety of fun activities are available at each of our centres both during the

day and in the evenings. Students can select from a mixture of sports, dance, drama and team games.

For those who prefer to be creative we offer a range of arts and crafts as well as drumming, carnival and circus workshops. The fun carries on into the evening when students are able to enjoy discos, talent shows, international nights and much more. Our activities provide the perfect opportunity for students to use the English that they have learnt with international friends.

SPECIALIST COURSES

We also offer specialist courses such as Michael Owen’s Red Star Football School, World of Work courses and Classic PLUS courses ranging from art to tennis, adventure activities to watersports!

Each student will go home with a portfolio of their work

TEACHING

We employ dedicated professional teachers who are supported and guided by an experienced academic management team at Head Office.

Our syllabus and course materials are designed uniquely for our students, and aim to improve students’ communicative competencies by building confidence and motivation and maximising the benefits of the multi-lingual classroom. Our aim is simple: to encourage students to use

the language in realistic, cultural and fun situations. Each student will go home with a portfolio of their work along with tips and suggestions for further study.

A VARIETY OF GREAT EXCURSIONS

Our exclusive programme of excursions to historical, cultural and fun destinations is linked to motivating lessons that prepare students for visits to many of the UK, USA, Canada and China’s most famous cities. We use major excursion destinations such

as London, Cambridge and Oxford as a “classroom” where students are exposed to a wealth of history and culture through guided walking tours, educational materials and visits to museums, colleges, cathedrals and other attractions. Our carefully planned tours enable our students to visit famous landmarks and learn about the history and culture of the city. Projects are usually completed in small groups and can be presented in a variety of ways including online posters, blogs, short films, and magazine or newspaper articles.
