YEAR ROUND COURSES FOR GROUPS

Where will you choose?

Welcome! I am delighted to present our 2021 year round brochure for groups which gives details of all of our year round courses. This year we are excited to reveal a new look and a name change! We are returning to our original name of Stafford House Study Holidays, which we think best conveys the extensive and exciting range of courses and locations we offer all year round!

Our name may be changing but everything you have come to expect and for which we have an excellent reputation, customer service, incredible locations and student satisfaction remain very much the same! We have been hard at work to make certain that we are equipped to run our courses in a safe and secure environment once the pandemic subsides and our WeCare pledge (page 7) details the measures we are taking to manage this.

We ran a very well received Virtual Summer camp this year and we will continue running virtual courses for closed groups throughout the year. Once travel to study returns to normal, this programme will offer an excellent opportunity for students to get an introduction to learning with us from the comfort of home before enrolling on a face-to-face course. We can't wait to welcome students to our centres once more and give them the Study Holiday of their dreams!

A comfortable and creative environment helps you achieve your potential, and we choose the best centres to host our summer and year round programmes. We also take our food very seriously, ensuring all students have 3 healthy meals a day, including a hot lunch (packed lunches are also provided on excursions). A healthy and well fed student is one brimming with lots of positive energy and ability to learn more productively.

HEALTHY LEARNING

By ensuring we incorporate plenty of sports and physical activity into your daily routine, we provide the opportunity to spend a lot of time outdoors enjoying nature, with various activities like basketball, tennis and even sailing in some of our centres! We also offer the opportunity for creative expression through our artistically inspired learning. Each centre has something unique to offer to meet everyone's demands.

DANCE INTO THE EVENING

We take our dancing very seriously at Stafford House Holidays and as such host various discos throughout each programme. Our disco evenings are a fun way for everyone to showcase their moves on the dance floor and simply let go! Dancing offers a wonderful opportunity for students to celebrate their hard work and achievements throughout the week. Everyone from our staff to the students is expected to put on their dancing shoes and simply FLOSS like a BOSS!

THOROUGH AND INFORMATIVE STUDENT INDUCTIONS

We want to make sure that each and every student that stays with us feels safe and secure in the school environment. Students will receive a warm welcome and thorough induction including information on how to stay safe during their stay.

HAND WASHING

To ensure good hygiene standards are maintained at our centres, we will make time for students to wash their hands between lessons and activities and before mealtimes. This will be monitored closely by our welfare team with extra supervision in place for our younger students.

HAND SANITISER

As our students are often on the go, 70% + alcohol hand sanitiser will be available throughout our centres and on excursions. Students will be shown where they can find it at induction and encouraged to use it frequently.

ENHANCED CLEANING

All rooms are deep cleaned before occupation and hard surfaces are frequently cleaned with sanitising cleaning liquids that guarantees to kill 99.99% of germs and bacteria including Covid 19.

ACCOMMODATION ARRANGEMENTS

Our group students will only share a room with other students from their group.

STUDENT WELFARE OFFICERS

Our friendly, professional and well-trained teams of Student Welfare Officers are onsite to ensure that our students are supported in all aspects of school life. They will be on hand to provide help with our new school hygiene procedures and will be able to assist if a student requires a visit to the nurse or doctor's appointment.

Our friendly Welfare Officers are always on hand to support students in all aspects of school life

YOUR STAFFORD HOUSE

OUR AIM IS TO TAKE EXCEPTIONAL CARE OF EACH AND EVERY STUDENT STAYING WITH US. OUR CENTRES AND LOCATIONS HAVE ALL BEEN SELECTED FOR THEIR SAFE AND SECURE ENVIRONMENTS, AND WE OFFER HIGH LEVELS OF SUPERVISION AT EACH.

STUDENT WELFARE

We understand that you trust us to take care of your students and we take our responsibility very seriously. For this reason, we have rules and procedures in place for all our young students to ensure their safety and well-being, which of course is our top priority. We are determined to provide the best possible experience for our students. From the moment they arrive and are

greeted at the arrivals hall, we are there to guide and support them every step of the way to the moment we wave them goodbye.

Our English Language courses in the UK are accredited by The British Council. We are also founder members of Young Learners English UK, a group who are dedicated to ensuring excellence in all aspects of junior courses, especially student welfare.

SECURITY

Our schools have always been a safe haven for students and we have highly developed contingency plans in place in the unlikely event of an emergency. Our staff are fully trained in these procedures so students can always feel they are in safe hands whilst in the care of Stafford House.

EVENING ACTIVITIES

Our activities provide the perfect opportunity for students to use the English they have learnt with their friends. Evening activities include discos, British culture night, talent shows and movie nights.

TEACHING

We employ dedicated professional teachers who are supported and guided by an experienced academic management team at Head Office.

Our syllabus and course materials are designed uniquely for our students, and aim to improve students' communicative competencies by building confidence and motivation.

Our aim is simple: to encourage students to use the language in realistic, cultural and fun situations. Each student will go home with a portfolio of their work along with tips and suggestions for further study.

Each student will go home with a portfolio of their work

A VARIETY OF GREAT EXCURSIONS & LOCAL VISITS

Our exclusive programme of excursions to historical, cultural and fun destinations is linked to motivating lessons that prepare students for visits to many of the UK and Canada's most famous cities. We use major excursion destinations such as London, Cambridge and Oxford as a "classroom" where students are exposed to a wealth of history and culture through guided walking tours, educational materials and visits to museums, colleges, cathedrals and other attractions. Our carefully planned tours enable our students to visit famous landmarks and learn about the history and culture of the city. Additional attractions and excursions can be booked in advance (at extra cost).

PROJECT WORK

Project work is a great way for students to make their own choices about what they learn, involving different skills and promoting creativity. Project work can cater for a wide range of learning styles and personalities and allows students to develop both their research and presentation skills. Projects are usually completed in small groups and can be presented in a variety of ways including: wall displays, blogs, short films, and magazine or newspaper articles.
