

ACCOMMODATION

Students opting for a more family-oriented and cultural experience can choose a Homestay in Brighton. This provides an opportunity to practise English throughout the evening with hosts and helps students avoid speaking their native languages with other friends. All hosts pass background checks and are first approved by our homestay coordinator for quality assurance. This gives students an authentic experience in a secure and relaxing atmosphere.

LOCATION

Homestay accommodation options are typically between 25-50 minutes commute from the school. Brighton has good transport links throughout the city, with many bus routes and regular services. Homestay fees include a bus pass for our students' travel between their homestay and the school.

Please contact Brighton@staffordhouse.com for specific transport links from your homestay location.
