

ACCOMMODATION

Students opting for a more family-oriented and cultural experience can choose a Homestay in Calgary. This provides an opportunity for a student to practise their English throughout the evening with their host family, and will help them to avoid speaking their native languages with other students. All homestay families pass background checks and are first approved by our homestay coordinator for quality assurance. This gives students an authentic experience in a secure and relaxing atmosphere.

LOCATION

Host families are typically located 45-60 minutes from the school by public transportation.
