

STAFFORD HOUSE SAN DIEGO

SAN DIEGO HOMESTAY

Students opting for a more family-oriented and cultural experience can choose a Homestay in the San Diego area. This provides an opportunity for a student to practice their English throughout the evening with their American families, and will help them to avoid speaking their native languages with other students. All homestay families pass background checks and are first approved by our homestay coordinator for quality assurance. They typically are located in the suburbs, just 45-60 minutes from the school by public transportation. This gives students an authentic experience in a secure and relaxing atmosphere.
