

## ACCOMMODATION

Students opting for a more family-oriented and cultural experience can choose a Homestay in Toronto. This provides an opportunity for a student to practise their English throughout the evening with their hosts and will help them to avoid speaking their native languages with other students. All homestay hosts pass background checks and are first approved by our homestay coordinator for quality assurance. This gives students an authentic experience in a secure and relaxing atmosphere.

## LOCATION

Homestays are typically located 30-40 minutes from the school by public transportation. Toronto has good transport links throughout the city.
