OVERVIEW

Cambridge is an inspiring city to study in. It is known throughout the world for its prestigious university and attracts millions of tourists each year.

Cambridge is a safe and popular city for students of all ages and there's lots of fun activities to be discovered here. Our students often enjoy punting down the River Cam, touring famous colleges like King's and Trinity, or visiting some of the local museums.

THE SCHOOL

Stafford House Cambridge is in the heart of the city. The school is close to lots of different local amenities, including a variety of shops and restaurants. It is also a short walk to Jesus Green, which is a lovely outdoor space close to the river.

The school has 9 classrooms, each with its own interactive whiteboard. There is a lounge and study area where students go to socialise and practise their English, as well as a large canteen, with a coffee bar, where students can go to eat and relax.

ACTIVITIES
We offer a variety of onsite activities including sports, arts and crafts and team games. Our activities provide opportunities for students to use the English they have learnt.

Full and half day excursions allow students to really get to know the UK. We use major destinations such as London, Canterbury and Brighton as a classroom where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.
