CANTERBURY, UK

OVERVIEW

Perfect for seaside seekers and history hunters, Canterbury is a bustling cathedral city originally built by the Romans. It's close to the coast and less than 1 hour from London on the train, making it a great base to discover England from. Canterbury is a safe and comfortable city that is fun to explore and easy to walk around. The city centre is within walking distance of the school. There you will find lots of shops, restaurants and cafés ranging from high street favourites to independent stores.

THE SCHOOL

Stafford House Canterbury is a short walk from the city centre and is perfect for those looking for that classic English adventure. The school is well equipped with interactive whiteboards, a library and self-study room, as well as a student lounge and courtyard. Homestay and residential accommodation are available, and a shuttle bus runs to and from school each day. A hot lunch and dinner is provided Monday-Friday at the canteen and free WiFi is available throughout the school.

- High Speed train to London only takes less than 1 hour from Canterbury West Station.
- 5-minute walk from school to city centre

WHAT'S INCLUDED:

TUITION

Students will take part in 15 hours of English language lessons per week. Lessons are topic based and designed to be fun, energetic and informative. They enable students to use their English in real world situations and increase their confidence.

ACTIVITIES

We offer a variety of onsite activities including sports, arts and crafts and team games. Our activities provide opportunities for students to use the English they have learnt.

EXCURSIONS

Full and half day excursions allow students to really get to know the UK. We use major destinations such as London, Cambridge and Brighton as a classroom where students will find historic and cultural information through guided walking tours and visits to museums and other places of interest.

CERTIFICATE

Each student will have their English level tested upon arrival and will be placed in a class accordingly. Students will receive a portfolio to store their work in as well as a certificate to take home with them as a record of their course with us.
