

California State University

Classic Course

Located at the famous California State University, the Channel Islands Campus is situated in Camarillo in California, just an hour from downtown Los Angeles and only half an hour away from Malibu and the beautiful golden sands of Zuma Beach. Each week is packed with excursions to the city centre and surrounding areas.

Overview

Our centre is based on the Channel Islands Campus of California State University. It is ideally positioned and in close proximity to central Los Angeles and the iconic golden shorelines of Zuma Beach in Malibu. As well as exploring 'The City of Angels' students will get the chance to visit one of the 7 natural wonders of the world on a weekend stay in Las Vegas. There they will visit the Grand Canyon, Hoover Dam and soak in the sights and lights of Las Vegas.

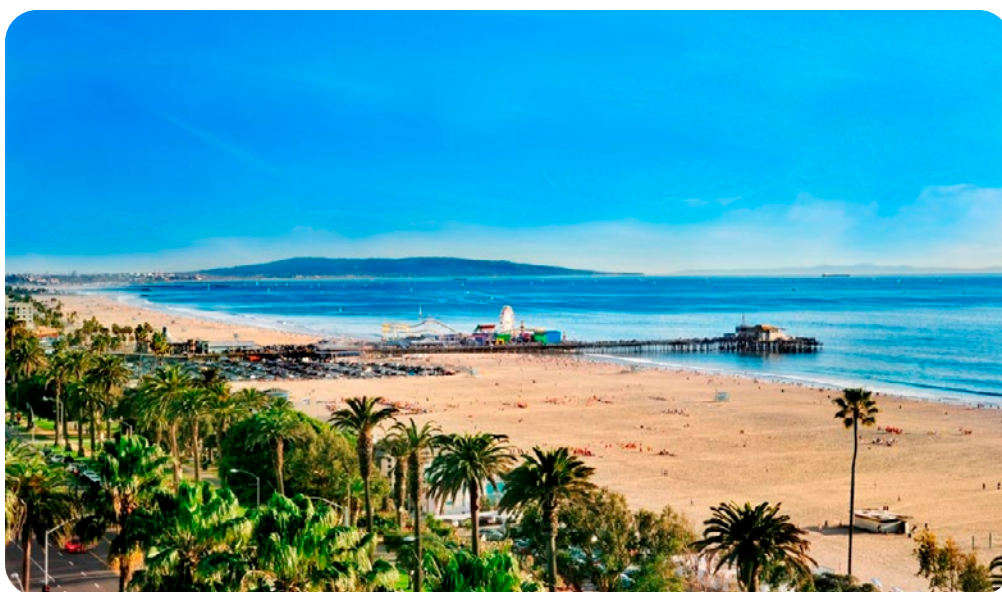

Our residential accommodation is at Santa Cruz. Santa Cruz residence has twin rooms – there are two rooms in each suite unit with a shared bathroom.

The School

The city of Los Angeles and the surrounding areas provide countless destinations to explore, and our courses make the very most of them. For those who love the beach lifestyle, there are visits to Malibu Zuma Beach – known for its long wide sands and excellent surf as well as Venice and Santa Monica. Venice beach has a unique bohemian spirit and is a buzzing town with funky shops, street performers and colourful murals, while Santa Monica is famous for its amusement pier with views over the Pacific Ocean.

For students who want to experience both the bright lights and beaches of the west coast, LA provides the perfect destination.
