

Premier Legends Football by Mark Wright

“Football taught me everything: how to work, how to listen, how to pick myself up when it didn’t go my way. That’s what we try to pass on at Oakham. Honest coaching, time with players who have done it at the very top, and teammates from all over the world.”

Tuition

Students will take part in 15 hours of English language lessons per week. Lessons are topic based and designed to be fun, energetic and informative. They enable students to use their English in real world situations and increase their confidence.

Football

Students will take part in 15 hours of football coaching per week. Sessions are led by the Premier Legends coaching team under the direction of Mark Wright, with a weekly visit from a former professional player.

Activities

We offer a variety of onsite activities including sports, arts and crafts and team games. The school day will finish with an evening activity which will include discos, international nights and talent shows. Our activities provide opportunities for students to use the English they have learnt and make international friends.

Excursions

Our full-day excursions allow students to really get to know the UK. Students on this course will visit a London football stadium as well as destinations such as London and Cambridge where students will find historic and cultural information through guided walking tours.

Certificate

Each student will have their English level tested upon arrival and will be placed in a class accordingly. Students will receive a portfolio to store their work in as well as a certificate to take home with them as a record of their course with us.

This popular course gives students the chance to train and spend time with some of the names of the professional game. The programme is delivered exclusively for Stafford House by Premier Legends and is led by ex-Liverpool Captain and England International Mark Wright, alongside a team of fully qualified and experienced coaches.

Course Structure

This programme gives students the chance to develop their football under the guidance of specialist Premier Legends coaches. Sessions are carried out in small groups so that every player gets real attention, and are designed to build students up both individually and as part of a team. Skills covered include ball control, passing and moving, agility, positioning, tactics and formations, as well as the arts of defending and attacking.

Coaching is delivered using the Premier Legends philosophy, developed by Mark Wright and his coaching team. Alongside it, students follow our classic programme of English lessons — specially designed to be fun, interactive and topic based. The lessons give students the confidence to take part in a full week of activities and excursions, and to use their English with teammates from around the world.

Requirements

Please notice that we require knowing the position of the player in advance. All students must bring moulded football boots and a pair of trainers. Goalkeepers should also bring padded clothes and gloves.
