How to Book

After selecting your centre and course, apply online at www.studyholidays.com/apply-online or contact one of our agents' representatives in your country of origin.

To secure your place, payment needs to be received. The deposit of £200 in the UK or \$250 in North-America is non-refundable. After the deposit payment, we will send you an updated invoice and confirmation documents.

If you request any additional services (e.g. private transfers, Unaccompanied Minor service or optional excursions), the cost of these will be included in your final invoice.

At the start of the course, the age of the student must fall within the age range specified for their chosen programme. On occasion, approval may be received to accept a student who does not fall within the age range. An Out of Age Range request form must be completed and sent to the Reservations team at the time of booking.

Transfers

Please send your arrival and departure flight details (arrival airport, flight number, airline, arrival time and point of origin) to the Reservations Team at least 1 month before arrival, and let us know as soon as possible if anything changes. Transfers are booked once full payment has been received.

Students under 18 are not permitted to travel alone. If a student is not using our included transfer, we require confirmation of their full travel arrangements in advance, written consent from a parent or legal guardian, and the student must be accompanied by a responsible adult aged 25 or over.

Cancellations and Changes

Under UK consumer law, you may cancel within 14 days of your original enrolment (the cooling off period) and receive a full refund. Please email reservations@staffordhouse.com in writing.

After the cooling off period, written cancellations received more than 14 days before the arrival date will be refunded in full minus non-refundable charges (including the registration fee). No refund is available for cancellations received less than 14 days before arrival, or after the course has started. We strongly recommend insurance covering cancellation and curtailment.

If you wish to postpone or amend your booking, please give the Reservations Team at least 4 weeks' notice before the course begins so that non-refundable fees can be transferred to a later date.

Parental Consent

Parents or guardians of every student under 18 must complete and sign a Parental Consent Form (in English) at least one month before the student's arrival date. Our North American Summer Centres have their own forms, which the Reservations Team will share at the time of booking.

Prices

Prices are correct at time of going to print and are subject to change without notice. All courses, course components and specialist supplements operate subject to demand.

Please read our full Terms and Conditions before you book, available at www.studyholidays.com/terms

Special terms and conditions apply for our Cambridge centre and our partner centres in New York and San Francisco – please contact us for more details.
