Further.

One Trusted Education Partner

As part of CATS Global Schools, a leading international education group, Stafford House combines decades of expertise with a global network dedicated to helping students thrive academically, personally, and professionally.

Wherever you're starting from, Stafford House helps you get where you're going.

Why Stafford House?

International Community

Students from over 100 nationalities learn together at our schools, creating a truly global learning environment

Academic Excellence

Our 2026 inspection results by the British Council recognize our strengths in academic management, quality of teaching, and student care and welfare.

Official Teacher Training Centre

From launching a teaching career to developing existing skills, our teacher training programmes support educators at every stage.

Established Partner

As part of CATS Global Schools, we draw on the experience, resources, and reach of a global education network.

Proven Track Record

With over 75 years of experience, we've helped generations of students from around the world achieve their goals

Meet the People Who Make Stafford House Different

Behind every successful student is a team of people who genuinely care.

From school Principals and academic leaders to student support, sales and operations, every member of Stafford House works together with one goal: helping every student make the most of their experience.

• Real people • Real support • Real results •

For Young Learners

Stafford House Study Holidays offers students the chance to learn English while exploring some of the world's most exciting destinations. From historic university cities to picturesque countryside settings, every location combines quality English tuition with culture, activities, and excursions. Students can choose how they want to live their experience:

Summer or Winter

Summer programmes are built around a specific focus, from creative pursuits to sports, while Winter offers more classic English learning programmes. Choose whichever season and style suits you best.

Individuals or Groups

Whether joining as an individual student or as part of a group, students obtain a learning experience that matches their interests and needs.

Our Programmes

Language Study Holidays

Improve your language skills while enjoying exciting activities and unforgettable excursions

Creative Study Holidays

Explore your creativity and develop new skills in arts, design, music and more

Sports Study Holidays

Train, play and improve with expert coaching in a range of sports

Academic Study Holidays

Challenge yourself academically and gain future-focused skills in key subjects

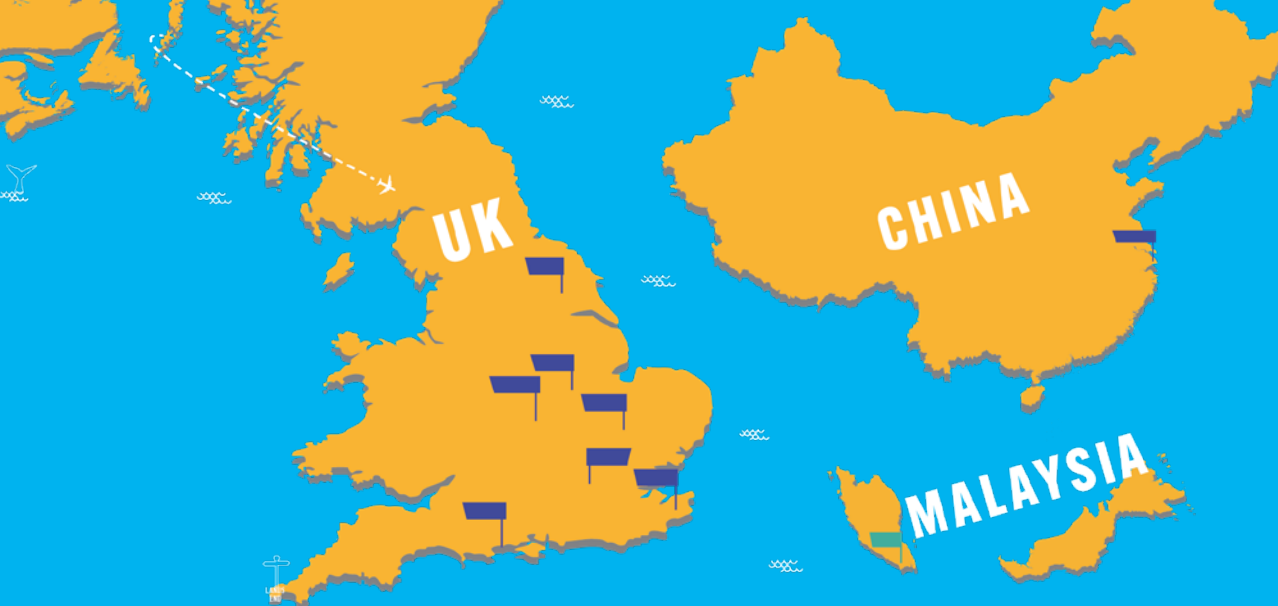

Bespoke Study Holidays

Tailor-made programs designed around your group's goals and interests
